### 3.4 Strategic goal and strategic outcomes-oriented goals

The GGB's mandate is linked to the Department of Economic Development's (DED) Programme 4: Business Regulation and Governance. The strategic objectives of Programme 4 of DED are:

- Increased customer satisfaction that secures long-term sustainability and facilitates the growth of businesses
- A properly regulated liquor industry in Gauteng that generates revenue towards the socio-economic development of province
- All projects and interventions of the DED's agencies contribute to the DED's vision and strategic goals of radically transform, modernising and re-industrialising Gauteng's economy
- B-BBEE targets expressed in the Transformation Charters and score-cards of the 11 identified sectors leading to the creation of decent work, an inclusive economy and equality
- Stakeholders of all three spheres of government and from other sectors of society are jointly working towards radically transforming, modernising and re-industrialising Gauteng's economy

The GGB's main functions linked to Programme 4 are:

- Regulate the gambling industry
- Generate revenue from the industry and the regulation of services offered for socio-economic development in Gauteng

With these objectives from the DED mind, the strategic goal of the Gauteng Gambling Board is:

"To promote an efficient, equitable and socially responsible business environment."

In support of the Gauteng Gambling Board's strategic goal, the focus was on the following strategic outcomes-oriented goals:

- Increased monitoring of B-BBEE compliance
- Ensure compliance with legislative framework
- Efficient and effective regulation of gambling
- Promotion of responsible gambling
- Enhance organisational performance, by providing an enabling environment
- Financial accountability and compliance to prescribed financial regulations and guidelines
- Contribution to eradication of poverty
